

EXPLORE LOGITECH MICE CERTIFIED TO WORK WITH CHROMEBOOK

Adding a mouse to your Chromebook setup helps you get more done in less time. Plus, a mouse adds ergonomic benefits, keeping you comfortable for long stretches.

What is Works With Chromebook?
When you see the Works With Chromebook badge, it means that this Logitech device meets compatibility standards to work seamlessly with Chromebooks.

“As a strategic partner, Logitech brings value to our Chromebook users with a full range of Works With Chromebook certified solutions. Beyond the seamless integration that is expected with our Works With Chromebook certified vendor solutions, Logitech offers users peripherals that will increase user productivity and efficiency at the desktop, while maximizing coveted USB space with their unifying technology. We are proud to be working with Logitech where together we provide Chromebook users the best possible experience.”
